Case No. 3:22-cv-01981-AR

**JOINT PROPOSED SUMMARY
JUDGMENT BRIEFING SCHEDULE**

The parties agree that the claims in this case should be resolved on cross motions for summary judgment based on the administrative record (AR) pursuant to the judicial-review provisions of the Administrative Procedure Act, 5 U.S.C. §§ 701-06. In accordance with that agreement and the direction of the Court (ECF 36), the parties have conferred regarding scheduling and hereby submit the following proposed briefing schedule for the Court's consideration. Plaintiffs expect that they may need an additional-length brief for their Combined Response/Reply identified below, as they will be responding to both Federal Defendants and Intervenor-Defendant. Defendants and Intervenor-Defendant would not oppose a reasonable request for such an additional-length brief. Moreover, the parties agree that additional length may be needed for other summary judgment briefs under the proposed schedule below, and they agree they would not oppose reasonable requests from any party for an additional-length brief:

- **Tuesday, December 3, 2024:** Federal Defendants will complete the AR with the Clackamas County Comprehensive Plan (consistent with the Court's Opinion and Order (ECF 36)) and electronically file and serve this AR document via CM-ECF.
- **Friday, January 31, 2025:** Plaintiffs' Motion for Summary Judgment is due.
- **Monday, March 31, 2025:** Federal Defendants' and Meadows's respective Cross-Motions for Summary Judgment along with combined memoranda both in support of their cross-motions and in response to Plaintiffs' summary judgment motion are each due. Federal Defendants and Meadows will endeavor to minimize duplication of arguments.
- **Wednesday, April 30, 2025:** Plaintiffs' combined Response/Reply is due.

- **Friday, May 30, 2025:** Federal Defendants' and Meadows's Replies in support of their Cross-Motions for Summary Judgment are due.
